Nature Of Opinion

Docket Number: W-01445A-15-0277

Docket Position: Against

having the meeting to discuss raising dramatically the water bills of Pinal county residents in Maracopa county/phoenix is very wrong, this means to attend every Pinal county resident involved must travel to Phoenix. For me that is at least 60 miles one way, if Arizona water co wants to raise prices on my water in Pinal county the meetings should be here where the customers are not were the corporation bosses are located. allow no raise to the cost to awc customers.
